# FRANCE
flag

To color the flag of France, color the rectangle on the left blue, the rectangle on the right red, and leave the rectangle in the center white.

Did you know...?
France is shaped a bit like a hexagon. It is the largest country in the European Union. It is located north of Spain and shares borders with Italy, Switzerland, Germany, Belgium and Luxembourg to the East. The famous Eiffel Tower in Paris, France attracts tourist from around the world. Gustave Eiffel built the Eiffel Tower that France is so famous for, and he helped design the Statue of Liberty in New York.
