

All Around Puebla

(to the tune of "Pop Goes the Weasel")

France invaded Mexico

In 1862,

Thinking they would march, march, march, march,
Right into Mexico City.

But what they had not counted on,

Was General Zaragoza

Who ordered his men to fight, fight, fight, fight,
Fight for their freedom.

So all around Puebla

The Mexicans chased the French,
Until the last French soldier gave up --
Cinco de Mayo!
