

## Paper Chains

### **Paper Chain Instructions**

1. Cut strips of paper in varying colors. Use green/verde, white/blanco and red/rojo to represent the colors of the Mexican flag.
2. Tape, glue, or staple the ends together to make a loop.
3. Insert a second strip of paper into the loop.
4. Tape, glue or staple this strip to make an interconnected loop.
5. Continue until your paper chain is as long as you want it.

Use these paper chains to decorate for a 5 de mayo celebration!
